### **TO WHOM IT MAY CONCERN**

This is to certify that Ms. **N.Akilandeswari** (Reg. No:23134066513922002) pursuing Master degree at **Darmapuram Adhinam Arts College, Mayiladuthurai** has successfully completed her first year internship program under the topic of **THEORETICAL PHYSICS** from 27/05/2024 to 07/06/2024 under the guidance of our management.

During this period, Ms. N.Akilandeswari demonstrated a strong understanding of the subject matter and displayed excellent research skills and dedication. Her contributions during the internship were commendable, and she has shown a high level of competence and enthusiasm for the field of Optical Physics.

We wish her all the best in her future academic and professional endeavors.

### **TO WHOM IT MAY CONCERN**

This is to certify that Ms. **M.Srimathi** (Reg. No:23134066513922008) pursuing Master degree at **Darmapuram Adhinam Arts College, Mayiladuthurai** has successfully completed her first year internship program under the topic of **OPTICAL PHYSICS** from 27/05/2024 to 07/06/2024 under the guidance of our management.

During this period, Ms. M.Srimathi demonstrated a strong understanding of the subject matter and displayed excellent research skills and dedication. Her contributions during the internship were commendable, and she has shown a high level of competence and enthusiasm for the field of Optical Physics.

We wish her all the best in her future academic and professional endeavors.

### **TO WHOM IT MAY CONCERN**

This is to certify that Ms. **R. Bhuvaneshwari** (Reg. No:23134066513922003) pursuing Master degree at **Darmapuram Adhinam Arts College, Mayiladuthurai** has successfully completed her first year internship program under the topic of **NANO PHYSICS** from 27/05/2024 to 07/06/2024 under the guidance of our management.

During this period, Ms. R. Bhuvaneshwari demonstrated a strong understanding of the subject matter and displayed excellent research skills and dedication. Her contributions during the internship were commendable, and she has shown a high level of competence and enthusiasm for the field of Optical Physics.

We wish her all the best in her future academic and professional endeavors.

### **TO WHOM IT MAY CONCERN**

This is to certify that Ms. **T.Vidhya** (Reg. No:23134066513922009) pursuing Master degree at **Darmapuram Adhinam Arts College, Mayiladuthurai** has successfully completed her first year internship program under the topic of **THERMAL PHYSICS** from 27/05/2024 to 07/06/2024 under the guidance of our management.

During this period, Ms. T.Vidhya demonstrated a strong understanding of the subject matter and displayed excellent research skills and dedication. Her contributions during the internship were commendable, and she has shown a high level of competence and enthusiasm for the field of Optical Physics.

We wish her all the best in her future academic and professional endeavors.

### **TO WHOM IT MAY CONCERN**

This is to certify that Ms. **P. Dhivya** (Reg. No:23134066513922004) pursuing Master degree at **Darmapuram Adhinam Arts College, Mayiladuthurai** has successfully completed her first year internship program under the topic of **ELECTRONICS AND IT'S PRINCIPLE** from 27/05/2024 to 07/06/2024 under the guidance of our management.

During this period, Ms. P. Dhivya demonstrated a strong understanding of the subject matter and displayed excellent research skills and dedication. Her contributions during the internship were commendable, and she has shown a high level of competence and enthusiasm for the field of Optical Physics.

We wish her all the best in her future academic and professional endeavors.

### **TO WHOM IT MAY CONCERN**

This is to certify that Ms. **S.Sivasakthi** (Reg. No:23134066513922007) pursuing Master degree at **Darmapuram Adhinam Arts College, Mayiladuthurai** has successfully completed her first year internship program under the topic of **ACOUSTICS** from 27/05/2024 to 07/06/2024 under the guidance of our management.

During this period, Ms. S.Sivasakthi demonstrated a strong understanding of the subject matter and displayed excellent research skills and dedication. Her contributions during the internship were commendable, and she has shown a high level of competence and enthusiasm for the field of Optical Physics.

We wish her all the best in her future academic and professional endeavors.

### **TO WHOM IT MAY CONCERN**

This is to certify that Ms. **Lavanya R** (Reg. No:23134066513922005) pursuing Master degree at **Darmapuram Adhinam Arts College, Mayiladuthurai** has successfully completed her first year internship program under the topic of **MEDICAL PHYSICS** from 27/05/2024 to 07/06/2024 under the guidance of our management.

During this period, Ms. Lavanya R demonstrated a strong understanding of the subject matter and displayed excellent research skills and dedication. Her contributions during the internship were commendable, and she has shown a high level of competence and enthusiasm for the field of Optical Physics.

We wish her all the best in her future academic and professional endeavors.

### **TO WHOM IT MAY CONCERN**

This is to certify that Ms. **S. Selvapriya** (Reg. No:23134066513922006) pursuing Master degree at **Darmapuram Adhinam Arts College, Mayiladuthurai** has successfully completed her first year internship program under the topic of **DIGITAL ELECTRONICS** from 27/05/2024 to 07/06/2024 under the guidance of our management.

During this period, Ms. S. Selvapriya demonstrated a strong understanding of the subject matter and displayed excellent research skills and dedication. Her contributions during the internship were commendable, and she has shown a high level of competence and enthusiasm for the field of Optical Physics.

We wish her all the best in her future academic and professional endeavors.
